## Breakfast with Santa at The Gatesworth

Arriving in The Colonnade with an overflowing pack on his back, Santa greeted Residents and their families and guests, then went straight to work: listening to each girl and boy, making a merry time for all, with musical assistance from the Snow Princess (Kari Ely) and piano-man Joe Dreyer.

**Martha Seebold** with great-grandson **Alex Martyn**.

**Jeanne Buettner's** grandson **Jeff Buettner** with his son, **Haven**, and Resident **Alyce Goessling**.
