At One McKnight Place

## KMOX's Tom Ackerman at The Gatesworth

The Gatesworth pitched a nice change-up in February for its monthly Men's Lunch Out event. Instead of heading out to a local restaurant, the gents of One McKnight Place enjoyed Men's Lunch In, served in The Colonnade dining room. Along with a very tasty lunch, the all-male crowd welcomed special guest Tom Ackerman of KMOX Radio. Along with his duties on KMOX's morning show, Tom's post as manager of Sports Operations gave him plenty of anecdotal material gleaned from both sides of the microphone. Well over 50 residents and guests couldn't have liked anything better than chatting sports over lunch....with the possible exception of flying off to spring training in sunny Florida!
